EDUCATION:

2014-2018:	Ph.D. Department of The Psychology of Children with Special Needs, Isfahan University, Isfahan, Iran, 2018 <i>Dissertation Title: Effect of Lidcombe program on psychological characteristics of parent, psychological characteristics of children who stutter, and stuttering rate in preschool children with stuttering.</i> <i>Supervisors:</i> Dr. Salar Faramarzi <i>Advisor:</i> Dr. Ahmad Abedi
2002 - 2007:	M.Sc. Department of Speech Therapy, Welfare and Rehabilitation Sciences University, Tehran, Iran, 1997. <i>Dissertation Title: Investigation of comprehension of opposite words in Hearing Impaired children</i> <i>Supervisors:</i> Dr. Shahin Nemat Zadeh <i>Advisor:</i> Dr. M. Kamali
1998 - 2002:	B.Sc. Department of Speech Therapy, Iran University of Medical Sciences, Tehran, Iran, 1991 <i>dissertation Title: Investigation of word recognition in hearing impaired children in elementary school</i> <i>Supervisors:</i> Mr. Ghorbani <i>Advisor:</i> Dr. Kamali

ACADEMIC EXPERIENCES:

- School of Rehabilitation Sciences, Isfahan University of Medical Sciences, Isfahan, Iran (since 2024-now), As a Head of the Student Advisors Department.
- School of Rehabilitation Sciences, Isfahan University of Medical Sciences, Isfahan, Iran (since 2023-now), As a Head of Speech Therapy Clinics.

- Department of Speech Therapy, School of Rehabilitation Sciences, Isfahan University of Medical Sciences, Isfahan, Iran (since 1998-now), As a Faculty Member of Speech Therapy Department.
- School of Rehabilitation Sciences, Isfahan University of Medical Sciences, Isfahan, Iran (since 2010-2016), As a Head of Department of Speech Therapy
- School of Rehabilitation Sciences, Isfahan University of Medical Sciences, Isfahan, Iran (since 2005-2010), As a Research Deputy
- Department of speech Therapy, Welfare and Rehabilitation Sciences, University, Tehran, Iran (1995-1997), As a Head of Department of Speech Therapy Department.
- Department of Speech Therapy, School of Rehabilitation Sciences Medical University of Iran, Tehran, Iran (1994-1996), As a Staff of Department of Speech Therapy Department.

MEMBERSHIP OF SCIENTIFIC SOCIETIES:

National

- Iranian Speech Therapy Society, (1995-now).
- Iranian Handicapped Society, Branch of Isfahan, (2000-now).
- Isfahan spinal cord injuries Society, (2007-now)

RESEARCH INTERESTS:

- Fluency Development
- Fluency Disorders and , Etiology, Evaluation and Treatment in Children and Adults
- Reading Development
- Reading disabilities and Etiology, Evaluation and Treatment
- Laryngectomy, Etiology, Evaluation and Speech Rehabilitation
- Behavior Disorders and Modification In Children

JOURNAL PAPERS

A. Papers in Stuttering:

- Farpour, S., Shafiei, B., Menzies, R., Karimi, H., **Reliability and validity of the unhelpful thoughts and beliefs scale for Persian-speaking adults who stutter (UTBAS-P), A cross-cultural examination of social anxiety in people who stutter**, Journal of Fluency Disorders, 2025, 83, 1-14. Article 106099.
- Saburi F., Namdarpour F., Shafiei B., **Explaining the problems of men who stutter on the verge of marriage: A qualitative study**, 2024, JRRS, Vol. 19, No.1.
- Azarinfar M., Jowkar F., Bijan Shafiei B., **Psychometric Properties of the Safety Behaviors Questionnaire for Persian Adults who Stutter in Iran**, 2024, , JSMJ, Vol. 22, No. 6.
- Shafiei B., Dindust Z., karimi H., **Effectiveness of the Camperdown Program in Reducing Stuttering Severity of Kurdish-speaking Adolescents With Stuttering in Iran**, 2023, JSMJ, Vol. 21, (6), No. 141.

- Azarinfar M., Karimi H., Jowkar F., Shafiei B., **Validity and reliability of safety behaviors questionnaire for Persian adults who stutter: A cultural perspective**, Journal of Communication Disorders, 2022, 100 (10), 1-13.
- Shafiei B., Faramarzi S., Abedi A., Dehqan A., Scherer R.C., **Effects of the Lidcombe Program and Parent-Child Interaction Therapy on Stuttering Reduction in Preschool Children**, Folia Phoniatrica et Logopaedica, 2019, 71 (1), 29-41.
- Shafiei B., Faramarzi S., Abedi A., Dehqan A., Sherer R.C., **Identification of efficacy of direct, indirect and combined methods on severity of stuttering in preschool children**, 2018, JSMJ, 17 (96), 203-224.

RESEARCH STUDENTS SUPERVISED:

- **The lived experiences of people with stuttering on the time of marriage and investigating effectiveness of related package on their quality of life and fear of marriage**, Saburi F., Ph.D. Degree, 2025, Khomeini Shahr Azad University, Isfahan, Iran.
- **Studying the effect of the Oakville treatment program on the severity of stuttering in children under 6 years old: A single-case intervention study**, Khalaj R., MS Degree, 2025, Isfahan University of Medical Sciences, Isfahan, Iran.
- **The Effectiveness of Oakville Treatment Program on Stuttering Severity in School-age children: An intervention study**, Khatib E., MS Degree, 2025, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Designing, implementing, and evaluating the effect of the situation based on virtual reality on the intensity of anxiety and reducing the intensity of stuttering in adolescents with developmental stuttering**, Samadi M., MS Degree, 2024, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Evaluation of validity and reliability of Developmental Stuttering Screening Instrument (DSSI in Persian children who stutter**, Babajanzadeh P., MS Degree, 2023, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Investigating the effect of psycholinguistic variables on word retrieval time and naming accuracy in people with stuttering: A single subject study**, Babaei Z., MS Degree, 2023, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Effectiveness of increasing working memory on severity of stuttering in 8-12 years old children in Isfahan**, Nazarian Z., MS Degree, 2023, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Effect of Response Elaboration Training (RET) with showing video-clips to increase length of utterances in chronic non-fluent aphasic persons**, Ahmadi P., MS Degree, 2018, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Devising of introductory malingered stuttering-evaluation questionnaire**, Pourmohamad A. MS Degree, 2014, Isfahan University of Medical Sciences, Isfahan, Iran.
- **A Persian-version of the Stuttering Severity Instrument-version 4 (SSI-4): How the new additions to SSI-4 complement its stuttering severity score?** Tahmasebi N., MS Degree, 2014, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Phonatory reaction time in 10-to-30-year-old stutterers and nonstutterers**, Nikkhah S., MS Degree, 2015, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Examine the Influence of Speech Therapy with Cognitive Behavior Therapy on Reducing the Severity of Stuttering In Stuttering Patients of 18 Years Old And Above In the City of Isfahan**, Ansari P., MS Degree, 2015, Isfahan University , Isfahan, Iran.
- **Relationship of unhelpful thoughts and beliefs about stuttering with anxiety and depression in Persian-speaking adults who stutter**, Farpour S., MS Degree, 2015, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Identification of Efficacy of Lidcombe Program in Reducing of the Severity of Stuttering in Preschool Children Who Stutter and Their Parent's Anxiety Reduction**, Hashemi F., MS Degree, 2015, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Translation and Investigation of the Validity and Reliability of the Persian Version of Communication Attitude Test for Preschool Children Who Stutter**, Rafati M., MS Degree, 2015, Isfahan University of Medical Sciences, Isfahan, Iran.
- **Effects Of Altered Auditory Feedback On Stuttering Frequency Of People Who Stutter**, Arbab Shirani N., MS Degree, 2014, Isfahan University of Medical Sciences, Isfahan, Iran.

COURSES TAUGHT:

- A course of Counseling Psychology for the Deaf for BS students, MUI, school of rehabilitation sciences, (two credits, 2015-now).
- A course of Speech and Language Disorders for BS Audiology students, MUI, school of rehabilitation sciences, (two credits, 2017-now).
- A course of Speech and Language Laboratory for MS students, MUI, school of rehabilitation sciences, (two credits, 2015-now).
- A course of Fluency Disorders for MS students, MUI, school of rehabilitation sciences, (Three credits, 2006-now).
- A course on Stuttering for BS students, MUI, School of Rehabilitation Sciences, (two credits, 1995-now)
- A course of Etiology, Evaluation and Treatment of Speech and Language Disorders for MS students, MUI, School of rehabilitation sciences, (two credits week, 2005-now).
- A course on Differential Diagnosis in Speech and Language Disorders School of Rehabilitation Sciences ,MUI ,(two credits, 1998-2004)
- A course on Dyslexia, School of Rehabilitation Sciences, MUI, (one credits, since 1998-now).
- A course on Specialized English, School of Rehabilitation Sciences, MUI, (two credits, 2004).
- A course on Speech Difficulties, Isfahan University (of Medical Sciences?), (two credits, 2004, 2005).
- A course on Speech Difficulties, for MSc students, Isfahan University of Medical Sciences, (two credits, 2006- now).
- A course of Case Study. For MS students, MUI, school of Rehabilitation Sciences, (two credits, 2006-now).
- A course of Pharmacology for BS students, MUI, school of rehabilitation sciences, (two credits, 2006-now).
- A course of Research Methods for BS students, MUI, school of rehabilitation sciences, (two credits, 2010-now).
